Reference

The Shipmanagement Company GmbH & Co. KG was founded July 2013 to combine the best of its three joint venture partners in technical ship management to be able to serve our customers with the most qualified services they can expect in future.

We are working with EPA Marine since year 2015. Our agreement covers the maintenance and service of GMDSS and navigation equipment on board of 14 vessels managed by TSC GmbH & Co. KG.

We value cooperation with EPA Marine very much and praise the knowledge of the team of service engineers. The level of provided services and the quality of performed tasks demonstrates professionalism of the company.

Best regards
